Presentation materials as well as a recording of the event will be made available afterwards on the FINEXITY Group's website.

About FINEXITY

The FINEXITY Group (Xetra: FXT · ISIN DE000A40ET88) builds and operates the infrastructure of the digital capital market: issuance, register connectivity and distribution of tokenised securities from a single source — regulated and operational since 2020 — complemented by the display of sell offers on the DLT-OTC (bulletin board). The Group is represented at six locations in Germany, Switzerland, Liechtenstein and the United Arab Emirates.

Capital Markets Solutions comprises nolivius (Advisory & Structuring) and VolksInvest (the online broker brand of Finexity Invest GmbH); Infrastructure Solutions comprises Nundara (tech infrastructure for tokenisation, subscription and register connectivity) and Effecta[1] (distribution hub and liability umbrella).

Via its proprietary infrastructure, the Group already connects more than 300 issuances from over 50 issuers with more than 84,000[2] registered investors.

[1] The acquisition of 90.1% of Effecta GmbH remains subject to the successful completion of the owner control procedure.
